A very lovely day - one perfect  
& balmy with health, & CO. to

I thought this morning of the  
"Bourrée & Double" 3 min.  
of Bach (Sm. II) - then the  
Andante in C (Sm. III) for  
your playing - all popular,  
& of the vicinity beside. Do  
you remember these movements?  
The sustained flow, yet "en moto"  
of the

the fine & delicate of

the recollection, in Dulcet  
mood -

There might search for  
the best path of day  
hearts of your audience  
One love to Mother  
self.
